RIB'S
FIBERGLASS HULL

The modularity of the **PATROL** range makes it possible to meet the needs of both professionals (firefighters, coastguards) and individuals (pleasure and fishing).

Outstanding reliability and unparalleled performance. The **PATROL** has the distinction of having greater buoyancy, stability, weight and load capacity than other boats of the same dimensions.

The boats are available in PVC or in HYPALON ORCA® fabric from the Belgian company, Pennel and Flipo.

The **PATROL 550** is available in division 222.
